Please add those cases as well, but notate that it was sent to BC, date and from whom. Likely, it will elevate above the BC if we are not able to move the case (which is the majority of the situations).

There's also the SNUN (SN-20-0006) that we just received the Congressional on.

Do you also want cases that have been raised to the branch chief level? Or only cases that have been elevated higher?
